

STEPS FOR FAMILIES NEW TO HHT

Persons learning of HHT in their family face many questions & are seeking guidance. Help is at your fingertips!

1. Read the HHT web-site for basic information and guidance
 - a. Overview of HHT
 - b. Information to provide to your physicians, medical professionals and insurance companies
2. Become a member of the HHT Foundation (www.HHT.org or 1-800-448-6389) to learn more
 - a. Detailed description of HHT and recommended screening and treatment
 - b. Scientific updates - the latest expert recommendations
 - c. Newsletters
3. Contact an HHT Center of Excellence
 - a. Center website links from HHT Foundation web-site, E-mail, or Phone
 - b. Expert professionals advise you on 'how to' obtain a consultation for proper management of your HHT

***For the most value in speaking with a Center of Excellence professional, thoroughly read web-site information in advance to gain understanding of HHT basics!**
